The Jimmy's Pizza Story:

Jimmy's Pizza was founded in 1986 by Jim & Jana Gordon in Pine City, Minnesota. The pizza was so good and the business was so fun Jim's Dad Fred and his mom Vonnie took a chance and opened a location of their own. Soon people began asking how they too could get into the pizza business. So Jimmy's started franchising its locations in 1994 and now has locations across the Upper Midwest with more opening soon. It's still a family business after all these years and we hope your family enjoys the pizza just as much as ours has.
